Cune Crianza - Rioja 2007

Cune's 2008 Crianza is 80% tempranillo with the balance comprised of garnacha and mazuelo aged in American oak for 12 months. Dark ruby-colored, it offers up a pleasing perfume of mineral, spice box, balsamic, black cherry, and blackberry. This leads to a medium-bodied, concentrated wine with good grip, ripe flavors, and excellent balance. The medium long offering will drink nicely for another 4-5 years.
