Goldschlager Liqueur 87° 750 ml.

Goldschlager is clear with gold leaf flakes. Cinnamon, spicy aromas give way to alcohol vapors. The palate is sweet and syrupy with hot spicy undertones. Enjoy as shot or sipped from a rock glass.

Goldschläger is an Italian cinnamon schnapps (43.5% alcohol by volume or 87 proof), a clear liqueur with very thin, yet visible flakes of gold leaf floating in it. The actual amount of gold is extremely small and serves as a sort of novelty.

Despite having Swiss origins, Goldschläger is a product of Italy. The German word Goldschläger ("gold beater" or "golden bat") designates the profession of gold leaf makers, who beat bars of gold into micrometer-thin sheets.

Red Stag by Jim Beam 80° 750 ml.

Born in the heart of Kentucky Bourbon country, Red Stag by Jim Beam™ contains all the pride of Jim Beam's 200 year old family tradition. Through a slow infusion process, our distillers start with fine four year old Jim Beam® Bourbon and then complement its distinctive taste with hints of natural black cherry flavor. The result is a sweet well-rounded taste that's delicious mixed or straight up. It's perfect for a night out on the hunt for fun.

The aroma is distinctively fruity, without disguising the familiar, rich nose of Jim Beam Bourbon. Taste the corn sweetness and mellow oak accented by a hint of black cherry for smoothness and balance. The finish is satiny and judiciously sweet, with a true bourbon warmth.

Jim Beam White Label Kentucky Bourbon 80° 1.75 L.

When Jacob Beam cooked up his first batch of bourbon back in 1795, debts were settled with duels. The American Dream was still taking shape. And you added more horsepower by, well, adding another horse.

A lot has changed over the past 213 years. But here at Jim Beam®, we're proud to say that things have remained more or less the same. We've spent all that time painstakingly and passionately perfecting Kentucky Straight Bourbon Whiskey. We're proud that the world's finest bourbon is still made by the same family, pretty much the same way. That's how it's been for seven generations.

Which is not to say we're stuck in the past. We've added to Jacob's first creation—now known as Jim Beam Bourbon—by crafting a whole family of bourbons. Some are aged longer to add a little more character and complexity. One of our whiskeys is filtered through charcoal for a more rounded and mature taste. Another offers a spicy rye flavor. And a few are made in small batches, the way bourbon used to be made. They can be light and delicate. Creamy and elegant.

Smooth. Balanced. Chewy. Crisp. In fact, we're convinced there's a bourbon for everyone.

Smirnoff Cocktails 30° Mojito, Pomegranate Martini or

Tuscan Lemonade 1.75 L.

THE PERFECT COCKTAIL IN EVERY POUR.

Introducing Smirnoff Cocktails, a line of super premium cocktails made with the finest ingredients and mixed to perfection. Host the perfect party by serving bar quality cocktails at home. You are guaranteed a perfect pour every time.

The **Smirnoff Mojito** is a new interpretation of the classic Cuban Mojito, made with Smirnoff No. 21 vodka, lime and mint flavors, and other quality ingredients.

The **Pomegranate Martini** is made with Smirnoff vodka, pomegranate juice, Meyer lemon liqueur, and a touch of natural lemon.

Smirnoff's Tuscan Lemonade is a definite winner. It's Smirnoff vodka, limoncello, and lemon juice (and probably a smattering of other, unspecified natural flavors), and a touch of color. A crisp and tart drink that tastes strongly of lemons and has a light touch of limoncello's signature bitterness. It's very refreshing served over ice, it's incredibly, at a mere 30 proof, surprisingly drinkable.

J&B RARE Blended Scotch Whisky 80° 1.75 L.

Each time you sip J&B RARE, 42 different whiskies pass your lips. They are carefully blended together to create a subtle, smooth and complex flavor. The delicate balance is what gives J&B RARE its distinctive character. If we took even one whisky away you would taste the difference.

The heart of J&B RARE is formed by Speyside Malt Whiskies. They provide the fruity, fresh quality you can taste, and give J&B its light color. Speyside is recognized as the superior area in Scotland

for making malts.

Added to that are some of the finest grain whiskies Scotland has to offer. They help reveal the individual flavors of the various malts, unveiling the pleasant smooth character of J&B RARE.

Please drink J&B responsibly.

Ronrico Light or Gold Rum 80° 1.75 L.

Ronrico Caribbean Silver or Gold Rums are authentic premium

rums that are selected from only the finest rums in the Caribbean. In 1889, the King of Spain gave the brand his crest of approval declaring it, "El ron de los nobles" or "The Rum of Noblemen." That crest still remains on the bottle today as a symbol of quality craftsmanship for nearly 150 years.

Seagram's 7 Crown Whiskey 80° 1.75 L.

Taste the smooth taste of Seagram 7 in the number one call drink around. A Seagram 7 and 7-Up.

All of the whiskies in Seagram's 7 Crown are aged for a minimum of 4 years, some in new charred white oak barrels and some in used charred white oak barrels. The maturing inventory is monitored by expert blenders for flavor development.

As the inventory gets near its usage age, blenders lab-produce products using different percentages of inventory components until the exact flavor profile of Seagram's 7 Crown is achieved. This inventory survey and lab blending is a constant process and is one of the reasons the flavor of Seagram's 7 Crown has remained consistent.
