## 2009 BORDEAUX FUTURES OFFERING

Last updated on July 06, 2010

This offering is the most updated list of 2009 Bordeaux wines Spec's is offering as futures.

TO RECEIVE our most updated futures offerings, please call us at 713-526-8787 or visit us on the web at [www.specsonline.com](http://www.specsonline.com). We offer futures pricing on cases and individual bottles. Unless otherwise noted, all prices are for cases of 12x750ml bottles. Some prices rise because a particular wine got hot and we had to buy more of it on a second or third offering at higher prices. These price changes are included in the updated lists.

Prices charged at the time of your order will taken from the most recent list. Reservations will be made at the time of payment. All orders are accepted subject to confirmation. Prices listed on the offerings reflect a 5% discount for cash or checks. Prices charged will reflect the most recent offering available at the time the order is placed and paid for. All orders must be picked up within 30 days of notice of arrival of each wine. Those orders not picked up may, at Spec's discretion, be cancelled and refunded. There may be a 10% cancellation fee assessed. Prices may be subject to a surcharge if state or federal tax rates are changed. Arrival dates listed on the offerings are anticipated; Spec's cannot guarantee an arrival date. In the event that product can not be delivered by our suppliers or is damaged or broken on delivery, refunds will be issued for the amount paid at purchase (the amount on this form). ALL ORDERS MUST BE SIGNED. All orders are accepted subject to availability and confirmation. Some wines are available only in extremely limited quantities. Spec's reserves the right to limit quantities.
